PXE International, Inc. and The University of Hawaii hereby waive and disclaim the terminal part of any patent granted on the above-identified application which would extend beyond the full statutory term (which may be longer than seventeen (17) years) of any patent issuing from U.S. Serial No. 09/792,616, which was filed on February 23, 2001, and hereby agree that any patent so granted on U.S. Serial No. 10/764,328 shall be enforceable only for and during such period that the patent is commonly owned with the U.S. Serial No. 09/792,616 or any patent issuing therefrom. This agreement runs with any patent granted on the instant application and is binding upon the Assignees, their successors or assigns.

PXE International, Inc. and The University of Hawaii do not disclaim any terminal part of the term of any patent granted on the instant application prior to the expiration date of the full statutory term of any patent issuing from U.S. Serial No. 09/792,616, in the event that any said patent expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321(a), has all claims canceled by a re-examination certificate, is reissued, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made in the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
